Dear Sir:

We call your attention to our letter of October 25, 1976 in which we point out that in the October, 1976 issue of your magazine Forecast, you have used without permission, material written and copyrighted by Henri Temianka which was published by David McKay in a book entitled FACING THE MUSIC.

To date we have had no word from you either in acknowledging receipt of the letter or in explanation of the circumstances.

We would dislike having to take this matter to our attorneys but may be forced to do so in view of no word from you.

Hopefully you can straighten the issue out without additional delay.

Sincerely,

Alan Tucker
