Dear Henri,

I have just finished revising all this material and wanted to send a copy to you for your perusal, suggestions, and for the file. In the case of certain names (mostly in Monte Carlo) I acted as Orchestra/liason...i.e. as Asoc. Cond. I was at all rehearsals, checked on balance, or was in the booth at recording sessions...thus had contact with those giants, though didn't perform with them. I think the First performances list is accurate ..to the best of my knowledge. I suppose everything could be shortened..but I have done so much and such a variety. Well, that's how it came out.

I look forward with keen interest to our roaming the wilds of the West with the Temianka Virtuosi, and I thank you for including me. You have ^{been} a great source of help and encouragement to me over the years, and I appreciate it.still want to play a trio program with you one day...

Regarding pieces by American composers...I have found a few listed, but really it seems best to have the scores at hand for perusal. Perhaps Musician's Supply can send you some likely prospects...or UCLA must have a string orch. section, or publishers like Peters, Boosey and Schirmers etc. probably would send out ones to look over. Or have them send them to me, and I could look them over if you like.

Please call if you need any help.

Best

P.S. Thanks for the fine lunch
