Vice President Dan Quayle's attack on the "cultural elite" bears an ominous resemblance to the campaign of Hitler's propaganda minister Joseph Goebbels. Goebbels' attack on "kulturbolshevism" led to the notorious book burnings, the destruction of the intellectual and cultural German elite, and all the horrors that followed. However, I applaud Quayle for his appeal to patriotism, of which he gave such a shining example during the Vietnamese war.

Yours sincerely,

Henri Temianka

Letters to The Times

Dan Quayle on the Cultural Elite

when it comes to knowing and speaking out on what is right and wrong, and especially what is wrong with our society, he is a lot wiser than any liberal politician or media elitist you could name. And it is abundantly clear that it is wisdom and common sense, not simply knowledge, that are sorely lacking in America today.

ROBERT GAHR
Buena Park

■ Quayle's attack on the cultural elite bears an ominous resemblance to the campaign of Hitler's propaganda minister Joseph Goebbels. Goebbels' attack on "*kultur-bolshevism*" led to the notorious book burnings, the destruction of the intellectual and cultural German elite, and all the horrors that followed. However, I applaud Quayle for his appeal to patriotism, of which he gave such a shining example during the Vietnam War.
