Dear Henri,

We were delighted to receive the Souvenir program with the highlights of your first 50 years (bis 160 Jahre). This program as well as your note with you and your family's good wishes for 1987 were very much appreciated and for which we do thank you very much. We are sure that you know how much we enjoy to look over and over again at every page of this marvellous album, so well conceived and a reminiscence of so many happenings in our lives. I shall never forget how thrilled I was when I heard the Trepiani quartet perform an all Beethoven program at the Waldseeibel Theater.

We were very impressed while contemplating all this pictures of the Trepiani family, - your father's (we never forget his beautiful voice and so many other things to remember - your mother's with her grandchildren, now your wonderful grown-up sons, Sammy's and Dave's with their lovely wife, your adorable grandchildren's picture and Rosy's at the family's dinner table (she always was a loyal friend during most difficult moments) - and you as a little boy and at the different periods of your life. I forget to mention that your dear mother taught me many things among others how to cook - gefüllte Fisch, and make Kniddelen! - last not least - all this wonderful picture of your lovely Sammy - the most important

award you ever received.

We did not know that you celebrated
your 80th birthday on November 19th 1986 -
from the bottom of our hearts - Congratulations -
Wishing for you the best of everything and the
continuation of your outstanding achievements and of
your multiple activities for many, many more
years. Surrounded of your wonderful family, your
friends and pupils and of your countless ad-
mirers. Again - Congratulations Henri - also for
Benny and for all of the family -

Long live Henry the Eightieth
With love and admiration
