Dear Henri,

I think it is a good idea to consider Libove as the News center - He just read your letter to me - I had told you I would report to you on Bantista.

It is too bad that you offered it to Barry - We don't think we should play it at all.

In my opinion we should rather play some there music from north America - And the Fromm is better than Bantista -

Tomorrow we will work again
on it, but I am afraid we
will not change our minds -

Bantistera is not good enough -

The program you have offered is
a little bit on the lean side -

we feel it should include -

certainly B. Lees - and Fromm

I would like to put Hindemith

as we played everywhere Prokofiev.

Then we think the list should
be padded by

Mendelssohn - Brahms (any
one but perhaps III preferably)

and Schubert Rosamunde -

otherwise you did not have

any romanticism

And we also feel
2 Haydn + 2 Mozart
should be offered -
Have not been hear
Columbia yet - Will go
next week -

By the way David likes the
Lees very much and we have
been working on it -

As we
