Dear Emmy - I've not read these this but in and about enough to appreciate your evaluation and agree with it. Thank you. It was a break from the endless paperwork which fills my days. I'm confined by a cast on a leg. Not at periodic breaks, but all impediment! I cannot drive or
walk any distance. Legis is best sound if I elevated. It's a new experience, strange to my in-dependence.

Hope your having perine and interesting days.

Affectionate greetings to you, Honor and your young ones.

Fondly,

Anna

Dear Emmy –

I’ve not read thru this but in and about enough to appreciate your evaluation and agree with it. Thank you. It was a break from the endless paperwork which fills my days.

I’m confined by a cast on a leg. Not a serious break but an impediment: I cannot drive or
walk any distance. Leg is best served if elevated. It’s a new experience, - strange to my independence.

Hope your having serene and interesting days.

Affectionate greetings to you, Henri and your young ones -- .
