Dear Tomi,

How can we adequately thank you not only for the thought, but your expression of it? Your telegram, since it burst upon our unsuspecting selves, was the conversation piece of Aspen and the cause of intellectual delight for all that possess an intellect. This document will go into our files with letters from Chaim Weizman, Igor Stravinsky and Marc Chagall. Only fire or earthquake or similar violent acts of God will cause us to part with your message.

We are back in our retreat after a full summer which took shape of a perfect three-part-song-form: Aspen - Vancouver - Aspen (25-anniversary - Poda). But early October we will again "hit" the road which (we hope) leads to fame and gold. Our first stop: Burbank (Los Angeles), October 8th. Will you be home about this date? We hope so.

With dearest love to Zhenya from us both

Mus. Mm. Viktor

P.S. As far as I can gather the S.Am. correspondence logged down on 57th Street. Will discuss it with you when we meet. Y.
