Dear Temi,

This is to tell you how happy you made us, humanly and musically, on our last visit to Los Angeles. Vitya and I felt that your achievement both artistically and organizationally is remarkable. It deserves appreciation from your community and enthusiastic support from your Board. We sincerely hope you get both.

Vitya joins in sending you all love, while I remain, devotedly yours,

Victor

Please give our thanks to your friends for the lovely dinner party. We failed to get their address, but we are appreciative of their hospitality, and remain grateful. V.
