Henri dear -

Old friendships do endure - Do you remember how you came to Monrovia and played for Jopi when he was recuperating after his surgery? We never forget it -

It was lovely to hear from you - Jopi's death was a shock to all of us - True - he had fought off asthma attacks for too many years - It finally led to a heart attack early last year - He seemed to recover rather well - Eventually he was able to attend a birthday party for Mary and for my grandson David in late October - It was a fun evening, being together again and

he enjoyed himself very much -
5 days later he died during the
night -

We miss him so very much - His son
Philip just graduated with top
honors - and is getting married
this month - John's daughter Margo
is a nurse and has been married
for 2 years to a lovely young man -
Mary is very brave and continues
to teach both at Chapin and at the
summer school in Blue Hill -

Congratulations on your David's
marriage : where does he live and
what does he do? Where is Danny?
How is Emj?

If you come East next fall I hope
that you will have time to visit
with us - with all our love to you
and to Emj,

Jessie
