Dearest Henri,

I received a contract for the April 29 Getty concert yesterday - I can't wait - its been so long since we've made music together! could you spare two tickets for Conny Clark in Santa Barbara? I told her I'd take care of it and forgot to ask you about it when I saw you - if its a problem, then please just buy the seats with the fee I'll receive (no, don't use the entire \$250... (!))

I'm in a terrific mood. I'm learning the Strauss Sonata - I love it so much and it suits me so well - if you have a place for it on one of your upcoming concerts, please think of me! Since my return to Paris, I've been working and playing more than ever - absolutely devouring new repertoire: how blessed we are to be musicians! when I think of all the years of music ahead of me --- I'm so happy!

I think I've told you this before, but I never tire of letting you know just how much you are a part of me - when I work, I can actually hear you, as if you were right here coaching me - and when I discover new music, I automatically think of you, for you uncovered such a great amount of repertoire for me -

I am eternally grateful for all the times you let me participate in chamber music soirees and concerts - I've had a chance that not many ^(my age) have had in that respect - well, I could go on forever, but I suppose I should save some of this ...!

I hope that you and your family are well, and that you had a wonderful New Year (now isn't that silly, you couldn't have possibly finished the year already...!) I know you and Emmy have an anniversary coming up soon, so may I say "congratulations" a bit in advance...

I love you !!

xxx Nina
