Dear Mr. Jerniarka,

Here it is four o'clock in the morning and I'm wide awake - this time I'm not up because of a nightmare, thank goodness - I can't remember ever feeling so wonderful! I'm so excited I just can't sleep. Today after my lesson I spent the afternoon making a list of things that I'm interested in doing and learning - there are so many things to look forward to! This evening I re-experienced the mad urge to play - I played my heart out until midnight... I can't believe that just a few days ago I was the most miserable person on earth (or so I thought) and now I'm so happy I don't want to sleep - I can't tell you how much I cherish our relationship and how much your support and understanding affected me this morning - Yay & I took a walk and I could hardly resist hugging strangers on the street! I thank you and I love you - I wanted to say that this morning, but you know me... Always,  
Kira

PS YOU played gorgeously this morning -

Dear Mr. Temianka,

Here it is four o'clock in the morning and I'm wide awake – this time I'm not up because of a nightmare, thank goodness – I can't remember ever feeling so wonderful! I'm so excited I just can't sleep. Today after my lesson I spent the afternoon making a list of things that I'm interested in doing and learning – there are so many things to look forward to! This evening I re-experienced the mad urge to play – I played my heart out until midnight . . . I can't believe that just a few days ago I was the most miserable person on earth (or so I thought) and now I'm so happy I don't want to sleep – I can't tell you how much I cherish our relationship and how much your support and understanding affected me this morning – Jay & I took a walk and I could hardly resist hugging strangers on the street! I thank you and I love you – I wanted to say that this morning, but you know me . . . Always,  
Nina
