dear Henri,

I was so happy
to receive your letter! Yes, you will
receive a long one from me - and soon -
but now I haven't the time it requires -
(and I wouldn't want to "cheat" on you,
as it were...!)

The cruises sound
fantastic! I am not free in May, but
the two months following are good -
as far as recommending artists, I do
have a few in mind - especially my
pianist here in Paris. He's in Germany
now but will return shortly, at which
time I will find out if he's free -

I also know a violist and a cellist who are very good - but they don't come as highly recommended as the pianist. That is to say, I wouldn't rave about them.. what fun this will be! I'm so excited! I'm sure we'll have the time of our lives -

I have a completely free day this coming Sunday which I will use to write you that long letter - until then, I send you all my love,

xx Nina

PS I just listened to your recording of the Tchaikovsky Trio - goose bumps everywhere! (not something I recommend for depressed persons, however - the results could be quite dangerous...!!)
