Dearest Mrs. Temiaska -

Please excuse me for writing on notebook paper. I am in class now, supposedly taking notes on this painfully boring lecture... I guess I should be paying attention, but I keep thinking about everything excluding the history of gregorian chants -

Thank you so much for your nice letters. My spirits have been high - everyone here has been remarking how much prettier I am with a smile on my face. I feel much better smiling again too! I can't tell you how much it means to me having your support and concern. Thank you.

How embarrassing. The teacher just asked me a question and I didn't have the faintest idea what he was talking about. Thank goodness Nadja (my best friend sitting right next to me) knew the answer and whispered it to me... I think I should listen now. I

don't want to get in trouble.

I send you a big kiss and

All my love,

Kira
