My dear Ray,

For the first time in years I have
actually been kept awake all night
by a book that I could not put aside:
Green Shadows; White Whale. The wit, charm,
the marvelous turns of phrases that made
me jump and re-read before I could
continue — the thought that you had
rekindled your sense of wonder and
renewed at this stage in your life —
I am overcome. The originality of it —
the delectable carinen of it — I know I
shall go all through it again before the
week is ended.

Much love and endless
admiration and hero worship

Henri

My dear Ray,

For the first time in years I have actually been kept awake all night by a book that I could not put aside; Green Shadows, White Whale. The wit, charm, the marvelous turns of phrases that made me jump and re-read before I could continue – the thought that you had retained you sense of wonder and renewal at this stage in your life – I am overcome. The originality of it – the delectable craziness of it – I know I shall go all through it again before the week is ended.

Much love and endless admiration and new worship
