Henri -

Thanks for your post card from Japan.
The reason you never heard from Hayakawa
is that he's here. I saw him briefly.

Anyway, as a parting gesture, I looked
at the official sales. Through May 21st, they are
4414 - And the book is still selling over
150 per week.

Like I once said, "Damn few books sell over
5000 copies." You're here + you ain't there
yet.

Regards.

Dan.
