Dear Henri:

Thank you for your warm letter; and thoughts about my son August.

You might recall the composition "Orchestral Suite" (5) movements, and was scored for large chamber orch; I believe I also gave you a demo tape I made with the R.A. orchestra in Naples, Italy. You expressed great interest at the time and told me there was a chance to hear a performance.

I was sorry to hear practically eliminated your doing it; unless, of course you see a solution? Keep it in mind; and, if you see for you will have a larger orchestra well come special concert; I hope you will program it?

Your praise concerning Napoleon was deeply appreciated
