Dear Mr. Semianka:

I have been wanting to write to you for the past two weeks, but things have been so very hectic for us since we returned, that I have been unable to do much of anything other than work which had to be done at Curtis.

I spoke with Mr. Serkin about the possibility of playing Ichaikovsky Concerto with you before going to Russia and he thought it would be marvelous if it could be arranged.

Since Mr. Serkin became the Director of Curtis, he has made considerable changes and added several very difficult advanced theory courses and academic studies as well so there seems to be little time to do much of anything

other than study. I am totally convinced that 24 hours in a day are simply not enough!

I am so glad that we were able to get together in Los Angeles and that you were able to meet Heidi. Thanks again for the marvelous lunch!

I do hope that a performance of Tchaikovsky Concerto can be arranged. It would be so much fun. Please let me know when you can.

Hope you are all in the best of health. My love to the whole family and my special love to

your Mother.

Mr. Serkin asked that I please send you his warmest greetings -

affectionate regards  
as always -
