Dear Henri - I love that picture. (Next time we'll have to include the wives.) Thanks ever so . . .

A small point of reassurance: I never asked for an intermediary. He is self appointed. He is a "Bringer together"; enjoys that - does not always realize that one does not bring good friends together because they are brought together already. - Sure we'll work it out. Just say what, when, how. . . Love to you both
