Dear Mr. Adler,

Some weeks ago I sent you, by surface mail, my elaborate new publicity portfolio to bring you up to date on my recent activities. I trust you have received it, and remember the correspondence you initiated with me a few years ago.

I would be most interested in exploring with you the possibility of visiting South Africa in my dual capacity as conductor and violin soloist, possibly with the further addition of a master class under the auspices of a university or other institution. I made similar tours of New Zealand and Israel in 1966, and am scheduled to make another such tour in the Orient next January under the management of Mr. Goh Soon Tice in Singapore. My appearances will include the Manila Philharmonic, Hongkong etc.

If you so desire, I shall be glad to send you my recently issued Everest recording (mono and stereo) of the 15 Handel Sonatas in a three record set.

Mr. Arthur Judson represents me in the U.S., but I am under no obligation as far as South Africa is concerned.

Looking forward to the pleasure of hearing from you,

Yours sincerely,

Henri Temianka
