Dear Lynn,

Allow me to tell you how greatly I admire the superb program you have created for this summer's Philharmonic Institute at UCLA. This will truly be an inspiration for the young people who are its beneficiaries.

I am happy to see the names of such old friends as Sascha Schneider among the many younger, distinguished members of the faculty. For it is evident that our musical heritage is best served when the old generation shares its experiences and insights with the young.

It is in this spirit, and as your good colleague and neighbor in this city, that I am writing to express my interest in participating in next year's program of the Institute. Please let us sit down together and discuss this.

Looking forward to hearing from you,

Yours cordially,

Henri
