Mr. Henri Temianka

Dear Mr. Temianka:

It was nice to hear from you after all these years, and it would, of course, be so much easier if we could discuss this under four eyes.

I am stunned at the extent of your activities and energy! You sound like a quartette in yourself!

Naturally the potentialities are enormous publicity and promotion-wise with your tremendous activities and, of course, we are most interested in the possibility of representing you and the Quartette. As you know I have been an admirer of the Quartette since the days when I signed you with Victor.

I have no commitments which would interfere with our representing you and your organization and I assume that you are thinking in terms of promotional activities and publicity and not management. I am not a manager although equally confidentially there is a thought in back of my mind in this direction.

I should welcome an opportunity of discussing this with you and in the interests of saving time would be glad if you would send me any specific questions that you wish to have me answer in connection with the possibility of our working together in matters of publicity and promotion.

I shall be away from New York from February 3rd to February 18th although of course my office will still function.

I shall look forward to hearing from you as to any specific information that you would require to which I will be happy to answer.

With all good wishes,

Sincerely,

Constance Hope
