Dear Emmy + Henry:

This note is to let you know our beady little eyes are on you and your doings, even if you don't hear from us. The immediate provocation for this missive is the announcement of the Apr. 18 affair, which we would like to attend but can't because

- 1) MDK is in France Apr. 14 - May 4
- 2) VSK is lecturing in La Jolla most of the last two weeks in April and expects to be up on a scientific mission in Vancouver the first week in May.

When the dust settles later this Spring we will make our annual effort to induce you to spend a little time with us.

Meanwhile, best of success in the doings past, present and future!
