Dear U. O. *

Actually you don't qualify as an octogenarian until you start the 81st year, according to the TV program I saw a few weeks ago whenever the last presidential election in the 20th century is 2000, not 1996. But we will not press this point. Heuni doesn't look more than 60, and even less. And Alzheimer never encountered his like.

I am taking a bus in the A.M. of Tu. Oct. 14 to arrive by taxi at the Temianka Castle by ~ noon. I expect to stay at a motel that night, or even perhaps in the Ber. Wilshire, as this is handy to taking a bus back the next A.M.

Love
