Folks -

The brochure on your Caribbean Caper arrived and I really would like to buy a ticket and accompany you, but I'll be starting my tour of duty in Bethesda, MD, as an Int'l Fogarty Fellow just when you're off to enjoy those balmy nights and carefree days at sea.

I'll be touching base with you as soon as the dust settles on the rash of holiday bashes, which I have to spend in La Jolla with the family. There is a New Year's thing at Frank Campos' which has been going on for several years and will be the first one neither Tedo (his wife) or Virginia will miss.

I am coping, if not happily, as an indication of age, I have a cataract in my right eye that needs attention soon - nothing serious, I guess. I have been playing the mimos - I record you gave me and conclude I am better than the guys that did the recording.

You'll be hearing from me right after the first of the year. Meanwhile, here are Season's Greetings!

Yours

Martin K

Folks—

The brochure on your Caribbean Caper arrived and I really would like to buy a ticket and accompany you, but I'll be starting my tour of duty in Bethesda, MD, as an Int'l Fogarty Fellow just when you're up to enjoy those balmy nights and carefree days at sea.

I'll be touching base with you as soon as the dust settles on the rush of holiday bashes, which I have to spend in La Jolla with the family. There is a New Year's thing at French Campo's which has been going on for several years and will be the first one neither Leda (his wife) or Virginia will miss.

I am coping, if not happily. As an indication of age, I have a cataract in my right eye that needs attention soon – nothing serious, I guess. I have been playing the [[illegible]] records you gave me and conclude I am better than the guy's that like the recording.

You'll be hearing from me right after the first of the year. Meanwhile, here are Season's Greetings!

Yours
