Dear Mr. Temianka—

I've told you before how much I appreciate all you do for me. You instruct me like a teacher and you care for me like a father. I thank you for all you have contributed to my musical progression and for your advice and concern for little problems in my life. My parents and I are very grateful to you and your lovely wife for making my summer at Banff enjoyable and memorable. You have my eternal devotion and respect.

Your loving pupil—

MOUNT RUNDLE AND THE VERMILION LAKES

Shown reflected in these placid waters, this oddly shaped mountain reposes with serene majesty over the town of Banff. It is composed of three rock layers — the Palliser cliffs, brownish shale and Rundle limestone on top.
