Dear Henri Temianka,

Thank you so much for the beautiful record, a most welcome accompaniment into the New Year. I was at your last concert during the first part which I enjoyed immensely, most of all your comment on Ives. Unfortunately I had to leave before the intermission, and could not attend the reception. I was in great pain with my knee which I injured by a fall at the Ambassador Auditorium. The next morning - that was yesterday - I was operated on, and it seems with success. With my bandages I look like an advertisement for a pharmacy; but I can already walk, though stiffly, around. So you don't have to worry about me.

*My very best wishes for you Ermy  
and Jansons as always,  
Yours kindly*
