Dear Emma & Henri,

We are delighted to receive your letter. Indeed you have been often in our thoughts; we've been wondering whether you would be coming to the Orient again.

Since P.P.'s retirement about a year ago, we've been spending more time abroad, mainly in San Francisco. In fact we have only just returned.

We envy you your coming vacation to Paris, Venice and Florence which are also our favourite cities. Paris is all embracing; Venice is haunting & Florence enchanting!

We're glad to hear that Henri continues to be active in music. We hope he will be involved in music for many more years to come.

We now have a new Cultural Centre on the other side of the harbour, housing a Concert Hall of £21,000 and an Opéra house for 1700 with all the latest equipment. Some world renowned stars & celebrities can be invited to the opening ceremony in November. Boston Pops, London Sinfonietta, Daphne Muthu & Ushio to Wick in Boston Concerts, Joan Sutherland, Jessye Norman etc.

We look forward to the joy of fine music. With love and best wishes.

Bella & P.P.
