Dear Brother and all:

I received your letter and was glad to hear from you once again. Also glad to hear you are all well as I am the same. Well I suppose you have your planting all done by now. J.C. said you were planting the other day so I guess you have that good old stuff planted and looking for it to come up. Boy would I like to get my feet in some of that good old dirt it is gone on fourteen months now that I had them in any dirt. Well you said you were still working the same amount of time. Yes that is enough for you. Take it easy old man.
Jo told me Kel is working up at Wineshennex. Well I am glad he got a regular job how about it? Oh yes how about those Rushes along the road can you get some one to cut them? if you can have it done Jo will pay for it as you had it done last year and wouldn't take any money for it but I wont you to take the money this time. Yes the field makes a nice place for the kids to play in don't you think? I told Meda she could have the Hay again this year. What is Vic doing to the back kitchen Jo said he was going to do something to it. Did you see about the insurance or not? I wish you would see about it you know any thing can
happen now that they have elect in. how does meda seem to be getting along? she told me she sold one of her cows. she said she was afraid of her. yes about elwood jane sent me the clipping out of the paper about it. she said it cost him around two hundred & thirty five dollars. boy that was hard money to pay out wasn't it? he is trying to save enough money to buy a place to live it had to happen to him. you know elwood is a good fellow when you get to know him. he drinks a little but look at all the people that does drink. well i guess i will say good bye for this time. write when ever you have time as i am always glad to hear from you. love to all pete.
