Dear Gary,

I read your fine letter of the 31st of July and it was grand hearing from you again. As always I hope you and your family are in the best of health, luck, and happiness. As for myself, I am fine in all at the present time.

Thank you for the grand picture you sent. I do look forward to that moment. I will try to send you a picture at the earliest date possible.

I am going to Japan for a week next month about 3 more weeks from now. Boy, am I going to have a good time. Something will be sent to you from Japan and...
Above all that I will be sent to you.

I am glad to hear that you had a grand time at Summer Camp. It does a person good to spend sometime out of doors.

Maybe one of these days in the near future I will be coming home, when I do I will stop over to see you, and take you on that airplane ride, if it is alright with your mom.

This is a very short letter for I have some packing to do before I leave for Japan. I shall write more later, please write as soon as possible. May God Bless you and guide you.

Your friend,

John
