Dear Alumni, Parents and Friends:

On behalf of our faculty, staff and students, I want to thank you for joining us for today's performance. Your support allows us to provide excellent education opportunities for our students, and your presence here is a tangible reminder of the strength of the Chapman family.

In the College of Performing Arts we are passionately dedicated to providing the best possible education for our students in all of our disciplines. Musco Center for the Arts, to be inaugurated in the spring of 2016, is a sign of the University's commitment to ensure that the arts at Chapman will be second to none. Thanks to Musco Center, our students will continue to be given exceptional opportunities to learn from the best and to experience performance in a state-of-the-art facility. Marybelle and Paul Musco, as well as the many other donors who contributed to the project, are strongly dedicated to the educational mission of this exceptional facility and we hope you will return often to experience the performing arts in our new performance home.

Many other factors, however, help us maintain the highest educational standards to benefit our students directly. The Fund for Excellence, in particular, helps us make a huge difference in the experience of all our students throughout the year. Thanks to your support, the Fund has a direct impact on our programs by helping us pay for:

- Production costs for the 100-plus live performances of dance, music, theatre and opera the College produces each year;
- Recruitment of professional visiting artists for master classes and performances on campus;
- Scholarships and travel funds for our student touring ensembles and conferences.

Every single student in the College is touched directly by your generosity. What's more, the entire Chapman student body and members of our surrounding community benefit from the privileged access to these extraordinary productions every year. Your gift to the Fund has a ripple effect, touching so many lives through the gift of dance, theatre and music.

Please invest generously in the Fund for Excellence and in the College of Performing Arts, as I do, and your gift will be one of the most rewarding experiences you can have when you watch our young artists develop right before your eyes.

Our doors are always open for you, so join us again soon at one of our many performances and events this season!

Sincerely yours,

Giulio M. Ongaro,
Dean
