**Pope John Paul II, Rome, Italy:**  
"Chapman University was simply magnificent and I wish that they could remain in Rome to sing for all Vatican functions."

**Zagreb, Yugoslavia:**  
"This was a unique evening of vocal music, one of the rare experiences of truly emotionally stimulating music, in the original meaning of the expression."

"They sing with singular simultaneity and lovely tone, cut off with absolute precision, and their fortes are as effortless and powerful as if one had merely applied an organ."

The Chapman University Choir is a select group of eighty singers chosen from all departments of the university. The choir has concertized and recorded extensively throughout Europe, Asia, and the United States, and are featured in the motion picture and soundtrack of Sister Act II. Choruses from Chapman University have been honored with invitations to perform at numerous national and western regional conventions of the American Choral Directors Association, most recently at the national convention, joined by 300 singers from around the United States and Australia, recently returned from a thrilling performance of the Berlin Requiem at the Sydney Opera House. Their performance sold out in 2700 seats and earned seven standing ovations. Most recently, the University Choir performed at the West coast premier of Howard Shore’s epic The Lord of the Rings Symphony with the Hollywood Bowl Orchestra to the delight of an audience of over 15,000 people.

The Chapman University Singers is a highly select group of thirty-two vocal artists. They have been acclaimed in performances throughout the United States and abroad, including recent performances with the Los Angeles Philharmonic at the Hollywood Bowl. A Los Angeles Times review said that they performed “resplendently” and “sang clearly and powerfully” in this concert, conducted by Esa-Pekka Salonen. Similar acclaim followed when maestro Zubin Mehta conducted the Los Angeles Philharmonic and the Chapman University Singers in performances of Beethoven’s Ninth Symphony at the new Walt Disney Hall in January 2004.
