Science Writer Matt Ridley Offers Public Lecture on May 7

LECTURE

Thursday, May 7

Argyros Forum 209 A-B

ESI/IFREE Lecture Series

Matt Ridley, Ph.D.:

The Role of Exchange and Specialization in Human Prosperity

4:30 p.m.

Acclaimed science writer Dr. Matt Ridley infuses a scholarly approach to the study of biology and economics with panache, wit and humor. His enthusiasm for his subject is contagious, and he displays remarkable ingenuity in finding ways to present complicated materials that are stimulating and great fun. Dr. Ridley received his Ph.D. in zoology at Magdalen College, Oxford. He is the author of *Nature via Nurture*, *The Origins of Virtue*, *Genome* and *The Red Queen*. This event is presented by Chapman University's Economic Science Institute (ESI) and the International Foundation for Research in Experimental Economics (IFREE).

Admission is free. Information: 714-628-2830 or www.chapman.edu/esi/IFREE_lectures.asp.
