I would like to thank:

Dr. Janice Park, for her tremendous dedication to this recital and to my piano studies over the past three years. I have grown so much as a pianist and as a person under your instruction. Thank you for helping me to make my undergraduate years something I can be proud of, as well as something I can look back on with fondness.

My mom and dad, who have worked incredibly hard to keep me here at Chapman so that I might have all these wonderful opportunities.

My professors here at Chapman, who have helped to shape me into a well rounded and knowledgeable musician.

My friends and family, who continue to support my endeavors.

Mrs. Judy Meyers, my first piano teacher, who inspired my decision to make music a lifelong pursuit.

Thank you all very much.

This recital is given in partial fulfillment of the requirements for a Bachelor of Music degree.

Theresa Silveyra is currently a student of Dr. Janice Park.
