## Many thanks...

First and foremost, I would like to thank all of you for attending my recital tonight. Your support in this huge milestone means the world to me.

Thank you, Jake Wiens, for shredding some Bach on your cello with me tonight! You are one amazing musician!

To Janet Kao... You are the piano wiz and I cherish the time I spent in your company. I have learned a lot while working with you.

I would like to thank my Mama Mary Palchak for always inspiring me to make music. Thank you for guiding and teaching me these past four years. Your never ending talents are an inspiration to me every day. Thank you for always believing in me; that faith is what encouraged me throughout my years at Chapman.

Thank you to my family who have been my soft place to fall, the support system that keeps me going.
