My first two songs are original compositions which I wrote while taking jazz instruction under Gary Matsuura. 'My One and Only Love' is an enchanting ballad with music by Guy Wood and lyrics by Robert Mellin. The last two are adaptations of existing jazz standards. They feature a new melody composed on top of the original chord progression, which is called a contrafact. These pieces demonstrate my growth in jazz studies during my education at Chapman University.

James Steininger is a student of Gary Matsuura.
