I would like to thank Dr. Park for all the hard work she puts towards making me a better pianist, and for giving me the motivation I need to keep going. Also a huge thanks to my family for supporting my musical endeavors, and to my friends for being positive and helping me remember there is more to life than just practicing!

-Patrick Gutman

Thanks goes to Dr. Park for having the patience to help me one step further along the path to becoming a better musician at every lesson. Thank you to my family and friends (and professors who have become friends) for always supporting me in all my endeavors, no matter how lofty my goals may seem.
